The courses are open access for the Macerata students, but:

to participate at the final exam, you must have at least 75% of 50 lessons. To obtain your A1 level credits, you must pass the final exams related ONLY at the end of the course that you attended.

You can't add up the lessons of other courses to obtain 50 lessons. Credits are only for 1 course and related exams passed. If you prefer to obtain credits in other levels – or repeat the A1 level, if you not passed - you have to wait the courses and related final exams during the 1st or the 2nd semester.
