

Delicious

Tutorial 2: Accedere al proprio delicious

The screenshot shows the Delicious social bookmarking website. At the top left is the 'delicious social bookmarking' logo. To the right are links for 'It's Free!', 'Join Now', and 'Sign In'. A yellow callout box with the text 'PASSO 1 clic su Sign In' points to the 'Sign In' button. Below the header is a blue banner with the text 'Your bookmarks will organize themselves. Tag your bookmarks. Collections will naturally emerge.' and a 'Learn More' link. A search bar is located below the banner with the placeholder text 'Search the biggest collection of bookmarks in the universe...'. Below the search bar are tabs for 'Popular Bookmarks' and 'Explore Tags'. The 'Popular Bookmarks' section displays 'The most popular bookmarks on Delicious right now' and a link to 'See more Popular bookmarks'. It lists three popular bookmarks: 'Google School: Find Images by Exact Dimensions, Make Wallpaper Search a Breeze' (121 saves), 'A year in review, 2008. (Kid pics, 33 of them) - FM Forums' (123 saves), and 'LimeWire Creator Brings Open-Source Approach to Urban Planning | Epicenter from Wired.com' (131 saves). To the right of the popular bookmarks is a 'Popular Tags' section with a list of tags: design, blog, video, software, tools, music, programming, and webdesign.

Menu Bookmarks

Permette di visualizzare:

- i propri bookmark (**My Bookmarks**),
- i bookmark più popolari (**Popular**),
- i bookmark più recenti (**Recent**).

Facendo clic su **Look up a URL** è possibile inserire un URL per vedere chi ha taggato la risorsa e con quali parole chiave.

Menu People

Permette di visualizzare la propria rete (**My Network**). Una rete è formata da un insieme di utenti registrati, scelti dal proprietario del delicious.

Go to a User permette di accedere al delicious di un utente di cui si conosce lo username.

Menu Tags

Permette di visualizzare:

- i propri tag (**My Tags**) in ordine alfabetico o come cloud (*nuvola*); In una nuvola, i tag sono rappresentati con dimensioni proporzionali al numero di risorse correlate;
- le proprie sottoscrizioni (**My Subscriptions**); una sottoscrizione è un aggregatore di tag che consente di vedere le risorse taggate dagli altri utenti con una data parola chiave;
- i link alle risorse taggate più recentemente con un tag specificato (**Explore**).
